

LAMBORGHINI AUCKLAND

Authorised Dealer

Designed to cut through the air and become one with the sky, the Huracán Spyder is the pinnacle of Italian taste and hand craftsmanship, a sports car concept elevated to the performance and sensation of a coupé.

The result? Behind you, the roar of the powerful V-10 engine. Above your head, an ultra-lightweight soft top that opens in just 17 seconds. Ahead, only the horizon awaits. Discover the unique characteristics and detailed technical specifications of the Huracán Spyder below.
