

Emotion, meet logic.

The Porsche Macan.

From just \$109,900, you could experience the thrilling intensity of a high-performance car in a very practical package. A Porsche through and through, the Macan is equipped for both city streets and off-road terrain with a turbocharged engine that can reach 100 km/h in just 6.7 seconds.

The Porsche Macan from \$109,900.* What could be more rational?

*Recommended Retail Price of standard specification Macan including GST, excludes on-road costs.
